Subject: BCS Summer Music Program

Dear BCS members,

As a part of tradition every year our Society organizes a summer cultural program where we invite famous artist/s from India. Keeping the same tradition this year we are organizing BCS Summer Music Program on **Sunday, the 12th of July 2009** at **Tri-C Metro Auditorium, 2900 College Avenue, Cleveland, Ohio 44115**.

We are very happy to announce that *Raghab Chatterjee*, one of the most famous and popular vocalists in Indian music will be the main performer for that program. He will be ably supported by *Somen Sarkar* on synthesizer and *Diptendu Banerjee* on tabla. Raghab is a fantastic stage performer who sings modern, filmy and classical songs, both in Bengali and Hindi. Trained under the great Gurus like Pt. Ajoy Chakraborty, Ustad Rashid Khan, he is now a star performer both in India and abroad. He sang for many famous films, works with top music directors. As appreciation he received many national awards. I am attaching a brief page highlighting some of his accomplishments. One can go to his web site [www.raghabchatterjee.com](http://www.raghabchatterjee.com) to have a glimpse of his musical talent.

This event will be a ticketed one- the details will follow soon. The generosity of many of our members above and beyond the routine yearly contribution to our society helps sustain such efforts to show case our Bengali culture. We make an appeal to our BCS members to please come forward and help sponsor this event.

Yours Sincerely

*Shouvik Majumdar*, Secretary BCS
