Subject: Thank You

Dear All,

Thank you very much for supporting the BCS Summer Musical event; What a wonderful performance by the Bangla Band "Chandrabindoo"!!

Special thanks to all our sponsors without whose support and contribution the program would not have been successful. As part of BCS, we are really proud of our community, members & families. Those of you who wanted to support this community fundraising effort but could not make it to the event for personal reasons, can still support the cause by mailing your donations.

We take this opportunity to announce our next event, BCS picnic on July 24, 2010 (Saturday), Venue: South Chagrin Reservation, Time: 10 AM onwards. We will have our picnic whether 'rain or shine'. Also please note down another change in our future program: Bijoya Sammilani will take place on Nov 6, 2010 instead of Nov 13, 2010. Venue: ICC Building.

Thank you very much for your attention. We encourage you to renew or take your membership if you have not yet done the same. Please see our web site for most of the updates, important videos and/or photographs of various events and membership information.

Please call 440-591-0028 for any questions or concerns.

Sincerely yours,

BCS Executive Committee 2010
